Dear Mr. Manley;

I have been booking sports for over 20 years and it is the first time I had another booking Agent have a game called off on me. This Agent is Lauschner of the Strong Agency who claims he has the monopoly on your club and told the Stamford Manager that I was booking your club too high at \$100. with option of 50 per cent. He certainly is underrating your team when he talks like that. Yes, the game is off for the 24th in Stamford and if you want to collect the fifty dollars penalty it is allright by me.

Mr. Manley, Stamford drew 1800 paid against the Brooklyn Royals last Thursday and that scared the Stamford Management on your 50 per cent gross. Let Strong's Agency get you the same terms that I got you. The Stamford Manager is a personal friend of mine and Lauschner has threaten to boycott him on all teams in the M.B. A. unless he canceled your game with me. To me it looks like Strong's Agency is trying to be the same as Jacobs is in Boxing and that is control the cream of baseball clubs.

I am sorry that our first business deal had to be a flop, but rest assured it wasn't my fault. Hoping to have the pleasure of meeting you some time, I remain.

Very truly yours

Paddy Moruke
